### *Curriculum description*

*"Godly Play": Using the Montessori method and beautiful hand-crafted props, stories about our tradition are told with the aim of instructing the kids the art of using Christian language and living in a Christian way.*

*"Spark:" A curriculum with a wonderful children's bible. Lessons are the same as those in the church service; usually the gospel.*

*"Live-It! Building Skills for Christian Living:" Kids consider character traits, life situations, and service using the bible, discussion, games and projects as resources*

*"TeenText:" A wonderful non-denominational resource from the Educational Center which asks how the lesson (from the day's lectionary) applies both to one's personal life, as well as the life of the society. Provides many entry points for teachers and students.*
